ESSOM delivered a verbal discussion to gather feedback from students to understand what employers and career opportunities students would like to engage with. Questions were posed by ESSOM using a Mentimeter.

The questions were as follows:

1. What year of study are you in?
2. What employers would you like to see on campus/virtually?
3. How would you like to interact with employers?
4. When thinking about what you might do after university, have you considered looking at Graduate Schemes?
5. What would stop you from attending an event on campus?
6. Where do you think you will look for work when you finish university?
7. How would you prefer to hear about events/employer workshops – email, socials, leaflets, via program
8. Have you used LaunchPad online?
9. Have you engaged with our Careers team?

ESSOM thanked attendees for their contributions.
